Roomba®
Vacuum Cleaning Robot

775.04

Introducing the Roomba 700 Series

775.04 with

- Optical Dirt Sensors
- Full Bin Indicator

INCLUDES

- 1 iRobot Roomba 775.04
- 1 AeroVac™ Series 2 bin
- 1 Auto Virtual Wall®
- 1 Virtual Halo
- 1 Compact, self charging Home Base™
- 1 IR Remote Control
- 1 Power supply
- 1 Rechargeable battery
- 1 Set of HEPA Filters (2)
- 2 Cleaning tools

Removes dirt, debris and hair from all types of floors. Detects debris optically to focus cleaning efforts.

The iRobot® Roomba® vacuum cleaning robot removes dirt, dust and pet hair, on its own, at the touch of a button, or can be scheduled to clean automatically up to 7 times a week. It thoroughly cleans your carpets, hardwood, tile and linoleum floors, including in tight spots, under and around furniture and along baseboards. Roomba features iAdapt® Responsive Cleaning Technology that monitors the cleaning environment over 60 times per second, using multiple sensors and over 40 behaviors to maximise cleaning performance.

The 775.04 features Dirt Detect™ Series 2 technology to concentrate cleaning in the dirtiest areas and a full bin indicator that lets you know when the bin needs to be emptied. It includes an IR handheld remote control to communicate with Roomba®.

700 SERIES
Design & Engineering Enhancements

ADVANCED CLEANING HEAD
Provides superior cleaning performance for picking up dirt, dust, pet hair, allergens and more from carpets and hard floors.

POWERFUL AEROVAC™ SERIES 2 BIN
Employs a powerful vacuum to vigorously pull debris and hair off brushes into the bin. An efficient single-chamber bin fills evenly and holds more debris than previous Roomba® series.

DUAL HEPA FILTERS
Captures dust particles as fine as 0.3 microns — limiting the recirculation of fine particles and leaving fresher and healthier air behind.

EXTENDED-LIFE POWER MANAGEMENT
Uses sophisticated power management software to deliver up to 50% longer battery life than previous Roomba® generations, ensuring hundreds of cleaning cycles under proper use.

MOULDED SOFT-TOUCH BUMPER
Cushions the contact made between the surface of Roomba's bumper and walls, furniture and other objects in the room.

PERSISTENT PASS CLEANING PATTERN
Employs a brush-like, back-and-forth motion in areas where it senses excessive dirt and debris to focus cleaning effort.

CONVENIENT CARRYING HANDLE
Includes a recessed one-hand carrying handle for easy one-handed transport of the Roomba® room-to-room or between floors.

ROOMBA 775.04 FEATURES

- Vacuums on its own using iAdapt® Responsive Cleaning Technology.
- Works on carpet, hardwood, tile and linoleum.
- Automatically recharges itself between cleanings.
- Cleans on a schedule that's convenient for you.
- Traps dust particles and allergens with dual HEPA filters.
- Stays in the rooms you want to clean and out of the ones you don't.
- Virtual Halo creates exclusion zones you don't want to clean.
- Uses optical and acoustic sensors to detect large and small particles.
- Indicator light lets you know when the dust bin is full.

SPECIFICATIONS

Robot Dimension (cms)	35DIA x 9.2H
Robot Weight (Kgs)	3.85
Wattage	33W
Bin Capacity (L)	0.38
Retail EAN	5060155407845
Retail UPC	885155004277
Retail Box Dimension (cms)	48.3L X 12.7W X 54.6H
Retail Box Weight (Kgs)	6.3
Retail Box EU Waste Packaging Information	85%
Retail Box Recyclability of packaging	100%
Units per Master carton	1
Master EAN	5060155407852
Master UPC	10885155004274
Master Carton Dimension (cms)	49.5L X 14.6W X 57.2H
Master Carton Weight (Kgs)	6.9
Master Carton EU Waste Packaging Information	85%
Master carton: Recyclability of packaging	100%
Retail Units per Pallet	48
Retail Units per Layer	16
